The North Texas chapter of US Lacrosse has announced that the SMU Mustang Men's lacrosse team will meet the Men's team from the University of Oklahoma in conjunction with the Halloween Shootout youth and high school tournament on Saturday October 24, 2009. The game will be played at Clark athletic fields just south of John Clark Stadium in Plano at 7:00pm. Admission is \$3 for adults and \$2 for students/children. Both teams are members of the Lone Star Alliance (LSA) which is composed of twenty college lacrosse teams from Texas, Oklahoma and Louisiana. The Lone Star Alliance is one of ten conferences nationally that play under the governance of the Men's Collegiate Lacrosse Association (MCLA).

Both teams have strong ties to Texas high school lacrosse programs with many local alumni playing for both teams. SMU, coached by Alex Poole has a strong winning tradition going back to the 1980 season. Oklahoma, coached by Max Dugan completed their fourth season of competition last spring and continues to build with many talented players from north Texas. The two teams met last spring in a competitive game at Norman in which the Mustangs emerged with a victory by a score of 11-6.

The Clark Athletic Complex is located at 429 W Spring Creek Pkwy, Plano, TX 75023. Take the Spring Creek exit from 75 Central Expressway, go west to Stadium Drive, go north on Stadium Drive and the fields will be on the left.
